The information in this prospectus is correct at the time of going to press. It is issued for the general guidance of students entering GBS in 2024/25 and does not form part of any contract. GBS will use all reasonable endeavors to deliver the course of study in accordance with description applied to it in the prospectus for the academic year in which you begin the course. However, GBS reserves the right to:

- make reasonable variation to the course (including, without limitation, the content and syllabus of the course, including changes to individual modules, the location of the course or the method of delivery of the course);
- discontinue the course or combine the course with another course, especially if it has insufficient numbers of students to be viable, if GBS considers this reasonably necessary. If GBS discontinues the course, it will use reasonable endeavors to provide you with a suitable alternative.

GBS welcomes comments on its courses from students' parents and sponsors. However, GBS contracts with its students do not confer benefits on third parties for the purpose of the Contracts (Rights of Third Parties) Act 1999. A full copy of our terms and conditions can be found on our website. Please note the modules listed within this prospectus are indicative of what you can expect on your course. The complete list of modules will be listed in the relevant course's Student Handbook.

*Please note this is a 4-year course with a Foundation Year.

Welcome to GBS

A qualification from GBS will put you on the right track for success in your chosen career. It will open up a wide range of job opportunities and will give you what you need to start your own business, if that's your goal. Whatever your dreams for the future might be, GBS has everything you need to help make it a reality.

Our students are looking forward to successful, rewarding careers – and that's why I'm so pleased to see that you are ready to join our dynamic community of motivated learners.

You'll find we have all the technology, resources and academic expertise that you're looking for. You'll also find that we're flexible – with schedules that suit your busy lifestyle – and that we're supportive and ready with a helping hand, whenever you need it.

We have plenty of options when it comes to courses, schedules and campuses. But no matter which of these you decide to go for, it looks like you've already made the best decision for your future – choosing to study at GBS.

Professor Ray Lloyd
CEO, GBS

About GEDU

Global Banking School is part of Global Education (GEDU), an educational institution pioneering educational models around the world.

We are changing lives through education & making fundamental differences in living standards & access to learning globally. We bring together curious, talented and open-minded people from all over the world, who put their skills into practice and go beyond simply teaching or studying.

With international institutions such as GBS UK, GBS Dubai, GBS Malta, English Path and MetaGedu Apprenticeships - we are globally respected providers of education.

Why Choose GBS?

GBS is committed to delivering an exceptional teaching experience to our students. Here's why you should choose us in your learning journey:

Renowned partnerships

Gain recognised qualifications from GBS from our highly regarded education partners designed to put you ahead of the competition.

Amazing campuses

Vibrant campuses so you can study in the UK's biggest cities – London, Birmingham, Manchester and Leeds. Read more about them on page 6.

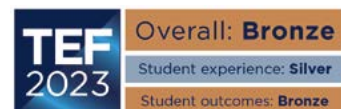

Students just like you

Our diverse community of students are represented by over 80 countries. We take an inclusive approach to recruiting students, with an aim to widening access to higher education among groups currently underrepresented in the sector.

High quality student experience

Our students have, for the fifth year in a row, provided GBS with an impressive outcome in the National Student Survey 2024, reflecting the outstanding work we do to support our students. GBS outperformed the sector cross all categories in the survey. Most notably, 93% of students were satisfied in the 'teaching on my course' category. This is a very high level of satisfaction and 7% above the average for the Higher Education sector as a whole.

We also received a bronze award in the recent Teaching Excellence Framework with our student outcomes being judged as high quality and our student experience as very high quality in all areas.

Teaching Excellence Framework
