Global Banking School Conflict of Interest Policy

1. Policy Statement

- 1.1. Global Banking School (GBS) encourages members of its staff to engage in a wide variety of external activities. The traditional academic roles, such as teaching and supervising students are often supplemented by commercial collaborations including consultancy, commercial research and development, intellectual property licensing and involvement in companies.
- 1.2. GBS recognises that involvement in such external activities carries many advantages to the institution and the individuals concerned. However, on occasion, they may give rise to conflicts of interest, whether *potential* or *actual*, *perceived* or *alleged*.
- 1.3. Therefore, all GBS staff are required to recognise and disclose activities that might give rise to conflicts of interest or the perception of conflicts and to ensure that such conflicts are seen to be properly managed or avoided.
- 1.4. If properly managed, activities can usually proceed as normal whilst at the same time upholding the person's obligations to GBS, meeting regulatory and other external requirements and protecting the integrity and reputation of GBS and its members. By contrast, conflicts which are not managed effectively may jeopardise GBS' public standing and may cause serious damage to the reputation of GBS and of the individuals concerned.
- 1.5. It is therefore GBS policy to encourage and foster external activities whilst ensuring that when conflicts or perceived conflicts of interest arise, they are identified and disclosed, and in relevant cases, appropriately managed. In every instance, GBS reserves the right to make a determination in light of its best interest.

2. Scope

- 2.1. This policy applies to all members of GBS, including staff, external committee members, consultants, honorary appointments and volunteers. A reference in this policy to staff includes any person within the scope of the policy.

- 2.2. It is the responsibility of each individual to recognise situations in which he or she has a conflict of interest, or might reasonably be seen by others to have a conflict, to disclose that conflict to the individual's line manager and through them to the Chief Executive Officer (CEO) and, to take such further steps as may be appropriate as set out in more detail under the procedure below.
- 2.3. If an individual is uncertain about how this policy might affect his or her activities or has any questions about its application, he or she should contact their line manager.

3. Recognising conflict of interest

- 3.1. A conflict of interest arises where the commitments and obligations owed by an individual member of staff to GBS or to other bodies, for example a funding or awarding body, are likely to be compromised, or may appear to be compromised, by:
 - that person's personal gain, or gain to immediate family (or a person with whom the person has a close personal relationship), whether financial or otherwise; or
 - the commitments and obligations that person owes to another person or body.
- 3.2. There can be situations in which the appearance of conflict of interest is present even when no conflict actually exists. Thus, it is important for all staff when evaluating a potential conflict of interest to consider how it might be perceived by others.
- 3.3. The duty to declare a possible conflict applies to the perception of the situation rather than the actual existence of a conflict. However, the duty is not infringed if the situation cannot reasonably be regarded as likely to give rise to a conflict of interest.
- 3.4. Conflicts of interest may be financial or non-financial or both. Further information about both types is set out below.

4. Financial conflicts of interest

- 4.1. A financial conflict of interest, for the purposes of this policy, is one where there is or appears to be opportunity for personal financial gain, financial gain to close relatives or close friends,

or where it might be reasonable for another party to take the view that financial benefits might affect that person's actions.

4.2. Financial interest means anything of monetary value, for example:

- payments for goods or services;
- equity interests (e.g. stocks, stock options or other ownership interests);
- resources and assets, including equipment, technical staff and facilities and/or
- intellectual property rights (e.g. patents, copyrights and royalties from such rights).

4.3. The level of financial interest is not the determining factor as to whether a conflict should be disclosed. What might be 'not material' or 'not significant' for one person might be very significant for another. Good practice in many situations will mean the disclosure of 'any' financial interest, however small. A conflict will arise if the interest might provide, or be reasonably seen by others, to provide an incentive to the individual which affects their actions and where he or she has the opportunity to affect a decision or other activity.

5. Non-financial conflict of interest

5.1. Non-financial interests can also come into conflict, or be perceived to come into conflict, with a person's obligations or commitments to GBS or to other bodies, for example the individual's college or other body of which he or she is a trustee. Such non-financial interest may include any benefit or advantage, including, but not limited to, direct or indirect enhancement of an individual's career, education or gain to immediate family.

6. Potential Conflict of Interest involving the assessment of a student

6.1. GBS will take all necessary steps to avoid a conflict of interest where any part of an assessment of a student (including by way of moderation) is undertaken by a person who has a personal interest in the outcome of that assessment.

6.2. A potential conflict of interest may arise where:

- Friends or relatives of GBS staff or managers are enrolled as students at GBS.
- Friends or relatives of Assessors / Internal Verifiers used by GBS are enrolled as students at GBS.

- Students enrolled at GBS are employed in any capacity.

7. Data Protection

- 7.1. The information provided will be processed in accordance with the relevant data protection principles and this information will only be disclosed when GBS is in receipt of a formal, legitimate request.

8. Assessment Decisions

- 8.1. GBS staff, assessors, internal verifiers and internal quality assurers should not be involved in any actions or decisions in relation to a student's assessment with which they have a personal interest. Any such interests should be declared at the earliest opportunity following which the relevant GBS staff, assessor or internal verifier should withdraw from any subsequent action, decision or involvement in the assessment process until authorised to continue by the CEO.

9. Corporate Governance

- 9.1. Where there is a potential conflict of interest involving a Committee member, the Committee member will declare this to the Chair of the Committee(s) of which they are a member, either during a Committee meeting or in advance. The Chair of the Committee will decide whether the declared Conflict of Interest will preclude the Committee member from all or part of the meeting. The CEO will also be notified in writing.
- 9.2. All decisions where a conflict of interest has been declared will be recorded by the Chair of the relevant committee/board and reported in the minutes of the meeting setting out:
- The nature and extent of the conflict of interest.
 - An outline of the discussion.
 - The actions taken to manage and mitigate the effects of the conflict of interest, including whether the Committee member was excluded from the whole meeting or just relevant items.

10. Members of Staff, Assessors and Internal Verifiers

10.1. Where there is a potential conflict of interest involving members of staff, assessors or internal verifiers, the matter should be referred to the CEO who will ensure that appropriate actions are taken to manage and mitigate any actual conflict of interest including exclusion from further involvement in managing, monitoring, the assessment of students and any financial transaction in any contract in which an interest has been declared.

11. Procedure

11.1. It is the duty of every member of staff to accurately and promptly disclose:

- a change in status of an existing actual, perceived or potential conflict of interest and/or commitment.
- a new actual, perceived, or potential conflict of interest and/or commitment.

11.2. Apparent or perceived conflicts of interest can be as damaging as actual conflicts of interest. Staff should consult their line manager if they are uncertain about whether a situation or activity presents a conflict of interest. The line manager shall evaluate the activity or situation and advise on the most appropriate course of action.

11.3. The general rule, with the exception of committee business, is that disclosure should be made at the time the conflict first arises, or it is recognised that a conflict might be perceived, in writing to the line manager. If the line manager has an interest in the matter to be discussed, the disclosure shall be made to the person at the next higher level of authority.

11.4. Disclosure in all cases shall include the type of potential conflict (conflict of interest or commitment), the nature of the activity, a description of all parties involved, the potential financial interests and rewards, possible violations of legal requirements, and any other information which the employee feels necessary to evaluate the disclosure.

11.5. External committee members and consultants to GBS are also required to divulge any personal or family financial holdings or situations that could create a conflict of interest and/or introduce bias into their professional judgement. Such disclosures should be made to GBS's Board of Directors, and appropriate determination shall be made on the management of any conflict.

- 11.6. To disclose any conflict of interest, the *Conflict of Interest Declaration Form* must be used (Annex 1).
- 11.7. Failure to follow the procedure set out in this policy or failure to comply with any stipulated management plan for managing the disclosed conflict will be considered a serious matter and may lead to disciplinary action being taken against the individual.

12. Complaints and Grievances

- 12.1. GBS staff, assessors and internal verifiers may invoke the provisions of the GBS Complaints Policy where there is a grievance regarding any decision made in accordance with the terms of this Policy.

13. Monitoring and Review

- 13.1. This policy may be amended by GBS at any time and will be reviewed every three years to ensure continuing suitability for business needs and compliance with relevant legislation. The policy may be displayed on a notice board. The policy will be available online to all employees on induction and to visitors, contractors, and students on request.

14. Data Protection and Confidentiality

- 14.1. GBS is registered with the Information Commissioner's Office as a Data Controller. Details of the School's registration are published on the [Information Commissioners website](#). GBS as a Data Controller shall implement appropriate technical and organisational measures to ensure that processing of personal information is performed in accordance with the UK General Data Protection Regulations (UK GDPR) and under the Data Protection Act 2018 (DPA).

15. Alternative Format

- 15.1. This policy can be provided in alternative formats (including large print, audio and electronic) upon request. For further information, or to make a request, please contact the Academic Standards and Quality Office at asqo@globalbanking.ac.uk.
