BANKING & FINANCE

GBS – A specialised institute

GBS is known for training professionals in investment banks, private equities and hedge funds globally. We take the current industry practices and design our curriculum for industry ready degrees for financial services.

Our unique niche proposition in the industry will help you to build a successful career in banking or finance roles globally. We recruit ambitious people, train them with critical thinking and problem solving and guide their career to become a successful asset in this competitive global world. Our lecturers bring great wealth of industry experience, professional education and passionate teaching skills to the classroom as they come from diverse culture.

Each student goes through our structured career development programme where we map the strengths, weaknesses and skills for a particular role.

Our innovative teaching methods are delivered by experienced bankers and thinkers. We always aspire to erase the gap of knowledge between real world investment banking, finance practices and traditional academic learning. We will stimulate your thoughts, put you through rigorous curriculum, connect you to the industry and demand your commitment.

PGC Global Investment & Finance

Post Graduate Certificate in Global Investment and Finance specialised Curriculum has been created to build the knowledge in broad Investment Banking role.

The unique feature of the programme lies in its emphasis on the role of academic theory underpinning applied Global Capital Markets & Investments practice with a very particular focus on helping students to relate this to their own career development.

This very personal approach and industry contacts is what differentiates the programme from other related courses at postgraduate level.

Students' prior knowledge and skills brought to the course combined with the academic theory, practice-based knowledge, cognitive process and synthesis accessed along the course make for a very powerful combination of skillset to achieve a knowledge in Investment Banking.

Post Graduate Certificate in Global Investment and Finance specialised Curriculum has been created to build the knowledge in broad Investment Banking role.

Transform your career with global applied knowledge

Testimonials

"The teaching style, while very relaxed, was thorough and rigorous.

The revision classes in the final weeks leading to the exam were really helpful and put everything into context"

N. Chauhan

"I like the way the programme was taught, as it was on a high level of teaching. Also, the programme moves you to be able to work in the company from day one"

Giacomo Mattioli,
HiQ Invest B.V.

"A very good and brief explanation to all the sessions. Small groups and a lot of practice."

Ilya Kotliar,
Deloitte Consulting

"Concentrates on exam practice which is very good. Friendly environment and good explanation from top tutors"

Chris,
City University
